Congratulations on your purchase of a puppy from My Home Puppies! We certify that the puppy you purchase is in sound health at the time of the sale to the best of our knowledge. We do our best to provide your family with a happy healthy puppy.

We cannot control the exposure your puppy encounters after leaving here. Puppies sometimes stress when adopted and moved to their new home. This stress can be brought on due to the move, change of diet, too much handling or not eating properly. This stress can bring on things that are dormant such as but not limited too; worms, ear mites, colds, hypoglyamia, coccidia, and giardia. These conditions are all treatable and do not warrant a reimbursement.

Any congenital abnormality or condition deemed to be breeders fault will be warranted for 2 year from the puppy's date of birth, with a signed letter from the diagnosing veterinarian. This guarantee will issue 100% money back or a compromise to keep and recognizes original owners only, but will not cover any veterinary fees or services. If any life threatening health problems are found at the time of the exam please contact us immediately. Puppy needs to be returned with a written statement from your vet. If the puppy should die within 72 hours of purchase an autopsy from a state vet lab is required. If for some reason you cannot take care of your puppy or cannot keep it any longer please return the puppy to us. ****DEPOSIT ON YOUR PUPPY IS NON-REFUNDABLE**
